

Andrew Hansford

IT Project Delivery | Complex Operational Environments | Digital Transformation

Morrinsville, Waikato | +64 21 315 104 | andrew@zeroinon.kiwi | zeroinon.kiwi | linkedin.com/in/ahansfordnz

PROFILE

Enterprise delivery leader with 20+ years of experience driving complex, multi-stream technology programmes in regulated environments. Proven at managing interdependencies across concurrent squads, clearing blockers with a bias to done, and connecting delivery activity to strategic outcomes. Hands-on with Jira, Microsoft Project, and RAIDD governance — bringing structure, critical path visibility, and momentum to high-stakes programmes.

PROJECT DELIVERY & LEADERSHIP CAPABILITY

- Programme and portfolio delivery (Agile | Hybrid)
- Delivery stabilisation and transformation
- Vendor leadership and cost governance
- Stakeholder demand management and prioritisation
- People leadership and capability uplift
- Governance discipline including RAIDD and benefits realisation
- Enterprise platform strategy and roadmap governance
- AI data governance and responsible data exposure
- Tools: MS Project | Jira | Power BI | Power Automate

SELECTED ENTERPRISE OUTCOMES

- Te Whatu Ora: leading systems improvement across six districts for the national childhood immunisation health target
- Auckland Transport: progressed Digital Twin (DRB approved); delivered Phase 1 Google & NGIS PoC; delivered Fare Review on time under pressure
- SealesWinslow: reduced vendor dependency by 75%; improved uptime to 99%
- LINZ: onboarded 80%+ councils for Connected Property; delivered framework under time pressure
- MPI: led AI PoCs with Maxar; negotiated \$1M enterprise licence; decommissioned 29 servers

PROFESSIONAL EXPERIENCE

Systems Improvement Lead — Childhood Immunisation

Te Whatu Ora (via Zero In On Limited) | May 2025 – Present

- Leading Phase 2 Discovery and Gap Analysis across three Te Manawa Taki districts; built BPMN swimlane process maps and Gap Register of 38 gaps
- Facilitating structured improvement with PHOs, Hauora Māori Services, Pacific providers, OIS, and primary care
- Applying RASCI frameworks; reporting formally to a Steering Group within a four-phase structure

Senior Project Manager — AI, Data & Analytics

Auckland Transport (via Zero In On Limited) | Oct 2024 – Feb 2026

- Led \$2M+ portfolio across Digital Twin, Traffic Optimisation, Fare Review, and enterprise data pipelines
- Managed four concurrent squads; used Microsoft Project for critical path and Jira for squad oversight
- RAIDD discipline implemented; overhead reduced by ~20%

Technical Services Manager

SealesWinslow (via Zero In On Limited) | Jun 2023 – Sep 2024

- Owned \$500K cost centre; reduced vendor dependency by 75%; improved uptime to 99%
- Supported Ballance sale to Farmlands; coordinated Spark device/service changeover

GIS Manager

WEL Networks | Sep 2022 – Feb 2023

- Led eight direct reports; stabilised at-risk Utility Network Transformation programme
- Reset vendor engagement; introduced delivery discipline improving visibility and confidence

Connected Property Delivery Lead / Acting Manager

Land Information New Zealand | Jun 2021 – Apr 2022

- Delivered Connected Property (~\$500K); onboarded 80%+ of councils nationally
- Acting Manager for eight-person team during peak delivery pressure

Geospatial Practice Lead

Ministry for Primary Industries | Feb 2019 – Jun 2021

- Led national geospatial practice; community of practice of 150+ practitioners
- Negotiated \$1M enterprise licence; led AI PoCs; intelligence leadership during COVID-19

EDUCATION & CERTIFICATIONS

- MSc (Hons) & BSc, Earth & Ocean Sciences — University of Waikato
- PRINCE2 Practitioner | ITIL Practitioner | Agile Practitioner | Certified Scrum Product Owner | CIMS Level 2 & 4
