PROFILE

Senior Delivery Manager with 20+ years leading complex, multi-stakeholder digital transformation programmes across health, public sector, and regulated environments. Recently embedded within Te Whatu Ora Te Manawa Taki, coordinating clinical systems improvement across six Midland districts. Proven at driving programme governance, managing cross-functional delivery teams, and aligning technical, clinical, and operational workstreams to achieve outcomes in ambiguous, high-stakes environments.

PROJECT DELIVERY & LEADERSHIP CAPABILITY

- Programme and portfolio delivery (Agile | Hybrid)
- Delivery stabilisation and transformation
- Vendor leadership and cost governance
- Stakeholder demand management and prioritisation
- People leadership and capability uplift
- SaaS & enterprise platform implementation
- Governance discipline including RAIDD and benefits realisation
- Cross-functional workstream coordination across technical, clinical, and operational teams
- Clinical systems delivery and health sector stakeholder engagement
- Legacy system transition and platform consolidation
- Tools: MS Project | Jira | Power BI | Power Automate

SELECTED ENTERPRISE OUTCOMES

- Te Whatu Ora: led clinical systems improvement across six Midland districts; coordinated PHOs, Hauora Māori, Pacific Health, and outreach providers toward the national 95% immunisation target
- Auckland Transport: progressed Digital Twin (DRB approved); delivered Phase 1 Traffic Optimisation with Google & NGIS; delivered Fare Review on time under pressure
- LINZ: onboarded 80%+ of councils nationally for Connected Property; delivered operating model under tight statutory timelines
- WEL Networks: stabilised at-risk Utility Network Transformation programme; reset vendor engagement and restored stakeholder confidence
- SealesWinslow: reduced vendor dependency by 75%; improved system uptime to 99%

PROFESSIONAL EXPERIENCE

Systems Improvement Lead — Childhood Immunisation

Te Whatu Ora (via Zero In On Limited) | May 2025 – Present

- Led discovery and gap analysis across six Midland districts to understand current-state clinical coordination models and identify system failures
- Coordinated delivery across PHOs, Hauora Māori Services, Pacific Health providers, Outreach Immunisation Services, and primary care — five distinct provider groups
- Developed BPMN process maps and a Gap Register of 38 gaps; applied RASCI frameworks to clarify accountability at NHI level
- Designed future-state coordination models, escalation pathways, and regional reporting structures

- Operated within a four-phase delivery structure with formal Steering Group governance and equity lens applied throughout

Senior Project Manager — AI, Data & Analytics

Auckland Transport (via Zero In On Limited) | Oct 2024 – Feb 2026

- Led \$2M+ portfolio across Digital Twin, Traffic Optimisation, Fare Review, and enterprise data pipelines
- Managed four concurrent squads; used Microsoft Project for critical path and Jira for squad oversight
- RAIDD discipline implemented; overhead reduced by ~20%

Technical Services Manager

SealesWinslow (via Zero In On Limited) | Jun 2023 – Sep 2024

- Owned \$500K cost centre; reduced vendor dependency by 75%; improved uptime to 99%
- Supported Ballance sale to Farmlands; coordinated Spark device/service changeover

GIS Manager

WEL Networks | Sep 2022 – Feb 2023

- Led eight direct reports; stabilised at-risk Utility Network Transformation programme
- Reset vendor engagement; introduced delivery discipline improving visibility and confidence

Connected Property Delivery Lead / Acting Manager

Land Information New Zealand | Jun 2021 – Apr 2022

- Delivered Connected Property (~\$500K); onboarded 80%+ of councils nationally
- Acting Manager for eight-person team during peak delivery pressure

Geospatial Practice Lead

Ministry for Primary Industries | Feb 2019 – Jun 2021

- Led national geospatial practice; community of practice of 150+ practitioners
- Negotiated \$1M enterprise licence; led AI PoCs; intelligence leadership during COVID-19

EDUCATION & CERTIFICATIONS

- MSc (Hons) & BSc, Earth & Ocean Sciences — University of Waikato
- PRINCE2 Practitioner | ITIL Practitioner | Agile Practitioner | Certified Scrum Product Owner | CIMS Level 2 & 4
